

We in the climate protection movement MYBLUEPLANET are looking for a

## « Volunteer Videographer »

You are passionate about the visual arts. You have made masses of social media videos. You have the eye, the creativity and skills to tell stories visually. You want to promote climate protection in everyday life. Then maybe you are our new Videographer?

### **Your area of responsibility:**

- Production of high-quality, publication-ready videos that include MYBLUEPLANET logo, name, music overlay, sound clips.
- Create a short 3-5 minutes 'highlights' video of the MYBLUEPLANET events.
- Create video snippets for social media.

The potential events include ClimateLab Lausanne (September 17-18) and TEDx MYBLUEPLANET Countdown event

### **You bring**

- Proven work experience as a videographer with good video editing ability
- Creative with storytelling skills
- Motivation and enthusiasm for climate actions
- French mother tongue. Conversant in German and English

### **We offer you**

- Opportunity to show case your skills and bring your own ideas
- Highly motivated colleagues with different backgrounds
- You can name us as a reference (depending on regular engagement)
- Flexible working hours

### **Your application:**

Please send your complete electronic application with the title "Videographer" to [devendra.rana@myblueplanet.ch](mailto:devendra.rana@myblueplanet.ch).

If you have any questions, feel free to contact the same e-mail address.
